# Woman SPY IS EXECUTED Washington, D. C. Jan. 19.—Becent repetition of the story that Anna Ritems has been executed in this country for connection with the German esplonage system caused the state department today to repeat its demial to American diplomats in neutral countries. The story was published yesterday in Stockholm and a few days earlier in the Hanover Courter. Recent versions of the alleged execution leaves in doubt the means used, with some papers insisting that poison was the instrument.

Decide Not to Pass Raises to Consumers; Eggs Are Higher; Lard Lower.

Egg representatives were out in sloner.

Egg representatives were out in force and urged increases in wholesale egg prices, declaring that cold atorage eggs had made an advance of \$1 per case, \$0 dozen, within the past week, due to the cold weather.

"I am quite certain that just at present there will be a decrease in the price, and in the past \$2 hours there has been a falling market," said H.

W. Gossett. "I believe that a raise of \$1 a case, which will amount to \$1-3 cents per dozen, will be sufficient for the coming week. For the coming menth, eggs will be weather, that is, will depend on the weather will be util tell you what the price of eggs will be."

Sioner.

Officers who made the arrest say the price, and known to the police. Information from the price of the theft of dynamite from a construction camp.

It was added that four other girls are now on the way to California. The Jose girl, who gave her age at 16, the coming week. For the coming menth, eggs will be weather, that is, will depend on the weather will be it will tell you what the price of eggs will be."

tain eggs in the market subsect in was were raised.

In the debate on the subject, it was developed that suice are supposed to be made on the bank of purchase prices regardless of what the market may be.

In the debate on the subject, it was palities committees en social selfare, public safety and achool boards.
